

Dear Friend,

Statistics reveal that approximately 1 in 2 men and 1 in 3 women in America will face cancer in their lifetime—a staggering fact. Sadly, many of you reading this have likely been personally affected by this devastating disease. The *Waves of Hope 5K* is dedicated to joining the fight against cancer, and we invite you to be part of our mission.

Our vision is to build on the tremendous success of the *Mighty Meehan 5K*, which has united the Cape Community for the past 15 years and has already raised significant funds for pediatric cancer research. The Waves of Hope 5K, taking place on Sunday, September 8th at 10 a.m. starting at West Dennis Beach, aims to continue supporting research to cure all cancers by raising awareness and much-needed funds to benefit the Dana-Farber Cancer Institute and the Jimmy Fund.

Since 1947, Dana-Farber has been committed to a singular mission: providing the best treatment currently available while pioneering innovative research to develop tomorrow's cures. Your support will bring us closer to a world without cancer.

Attached, you will find information on sponsorship levels and other ways you can contribute to this important cause. On behalf of the Waves of Hope Committee, Dana-Farber, and most importantly, the patients and families who will benefit from our efforts, we thank you for considering a donation. We also invite you, your family, and friends to join us for the walk or run on September 8th. If you have any questions, please contact us at wavesofhope5k@gmail.com.

Thank you for your support.

Regards,
Waves of Hope Committee

Individually, we are one drop. Together, we are an ocean.

This event attracts numerous participants, including runners, walkers, and more, and concludes with a memorable after-party hosted by Chapin's Fish & Chips. The silent auction, a key fundraiser, plays a crucial role for much-needed funds to benefit the Dana-Farber Cancer Institute and the Jimmy Fund.
